Executive Committee

LG&P's structure allows its attorneys to dedicate themselves *exclusively to its clients' matters and businesses.*

IMPULSIONA LG&P METHODOLOGY

LG&P has developed its own methodology, titled IMPULSIONA-LG&P. This work format is based on five core pillars which together enable a smart legal practice and the delivery of exponential results to companies.

CLIENT-FOCUSED

DATA

TECHNICAL QUALIFICATION

TECHNOLOGY

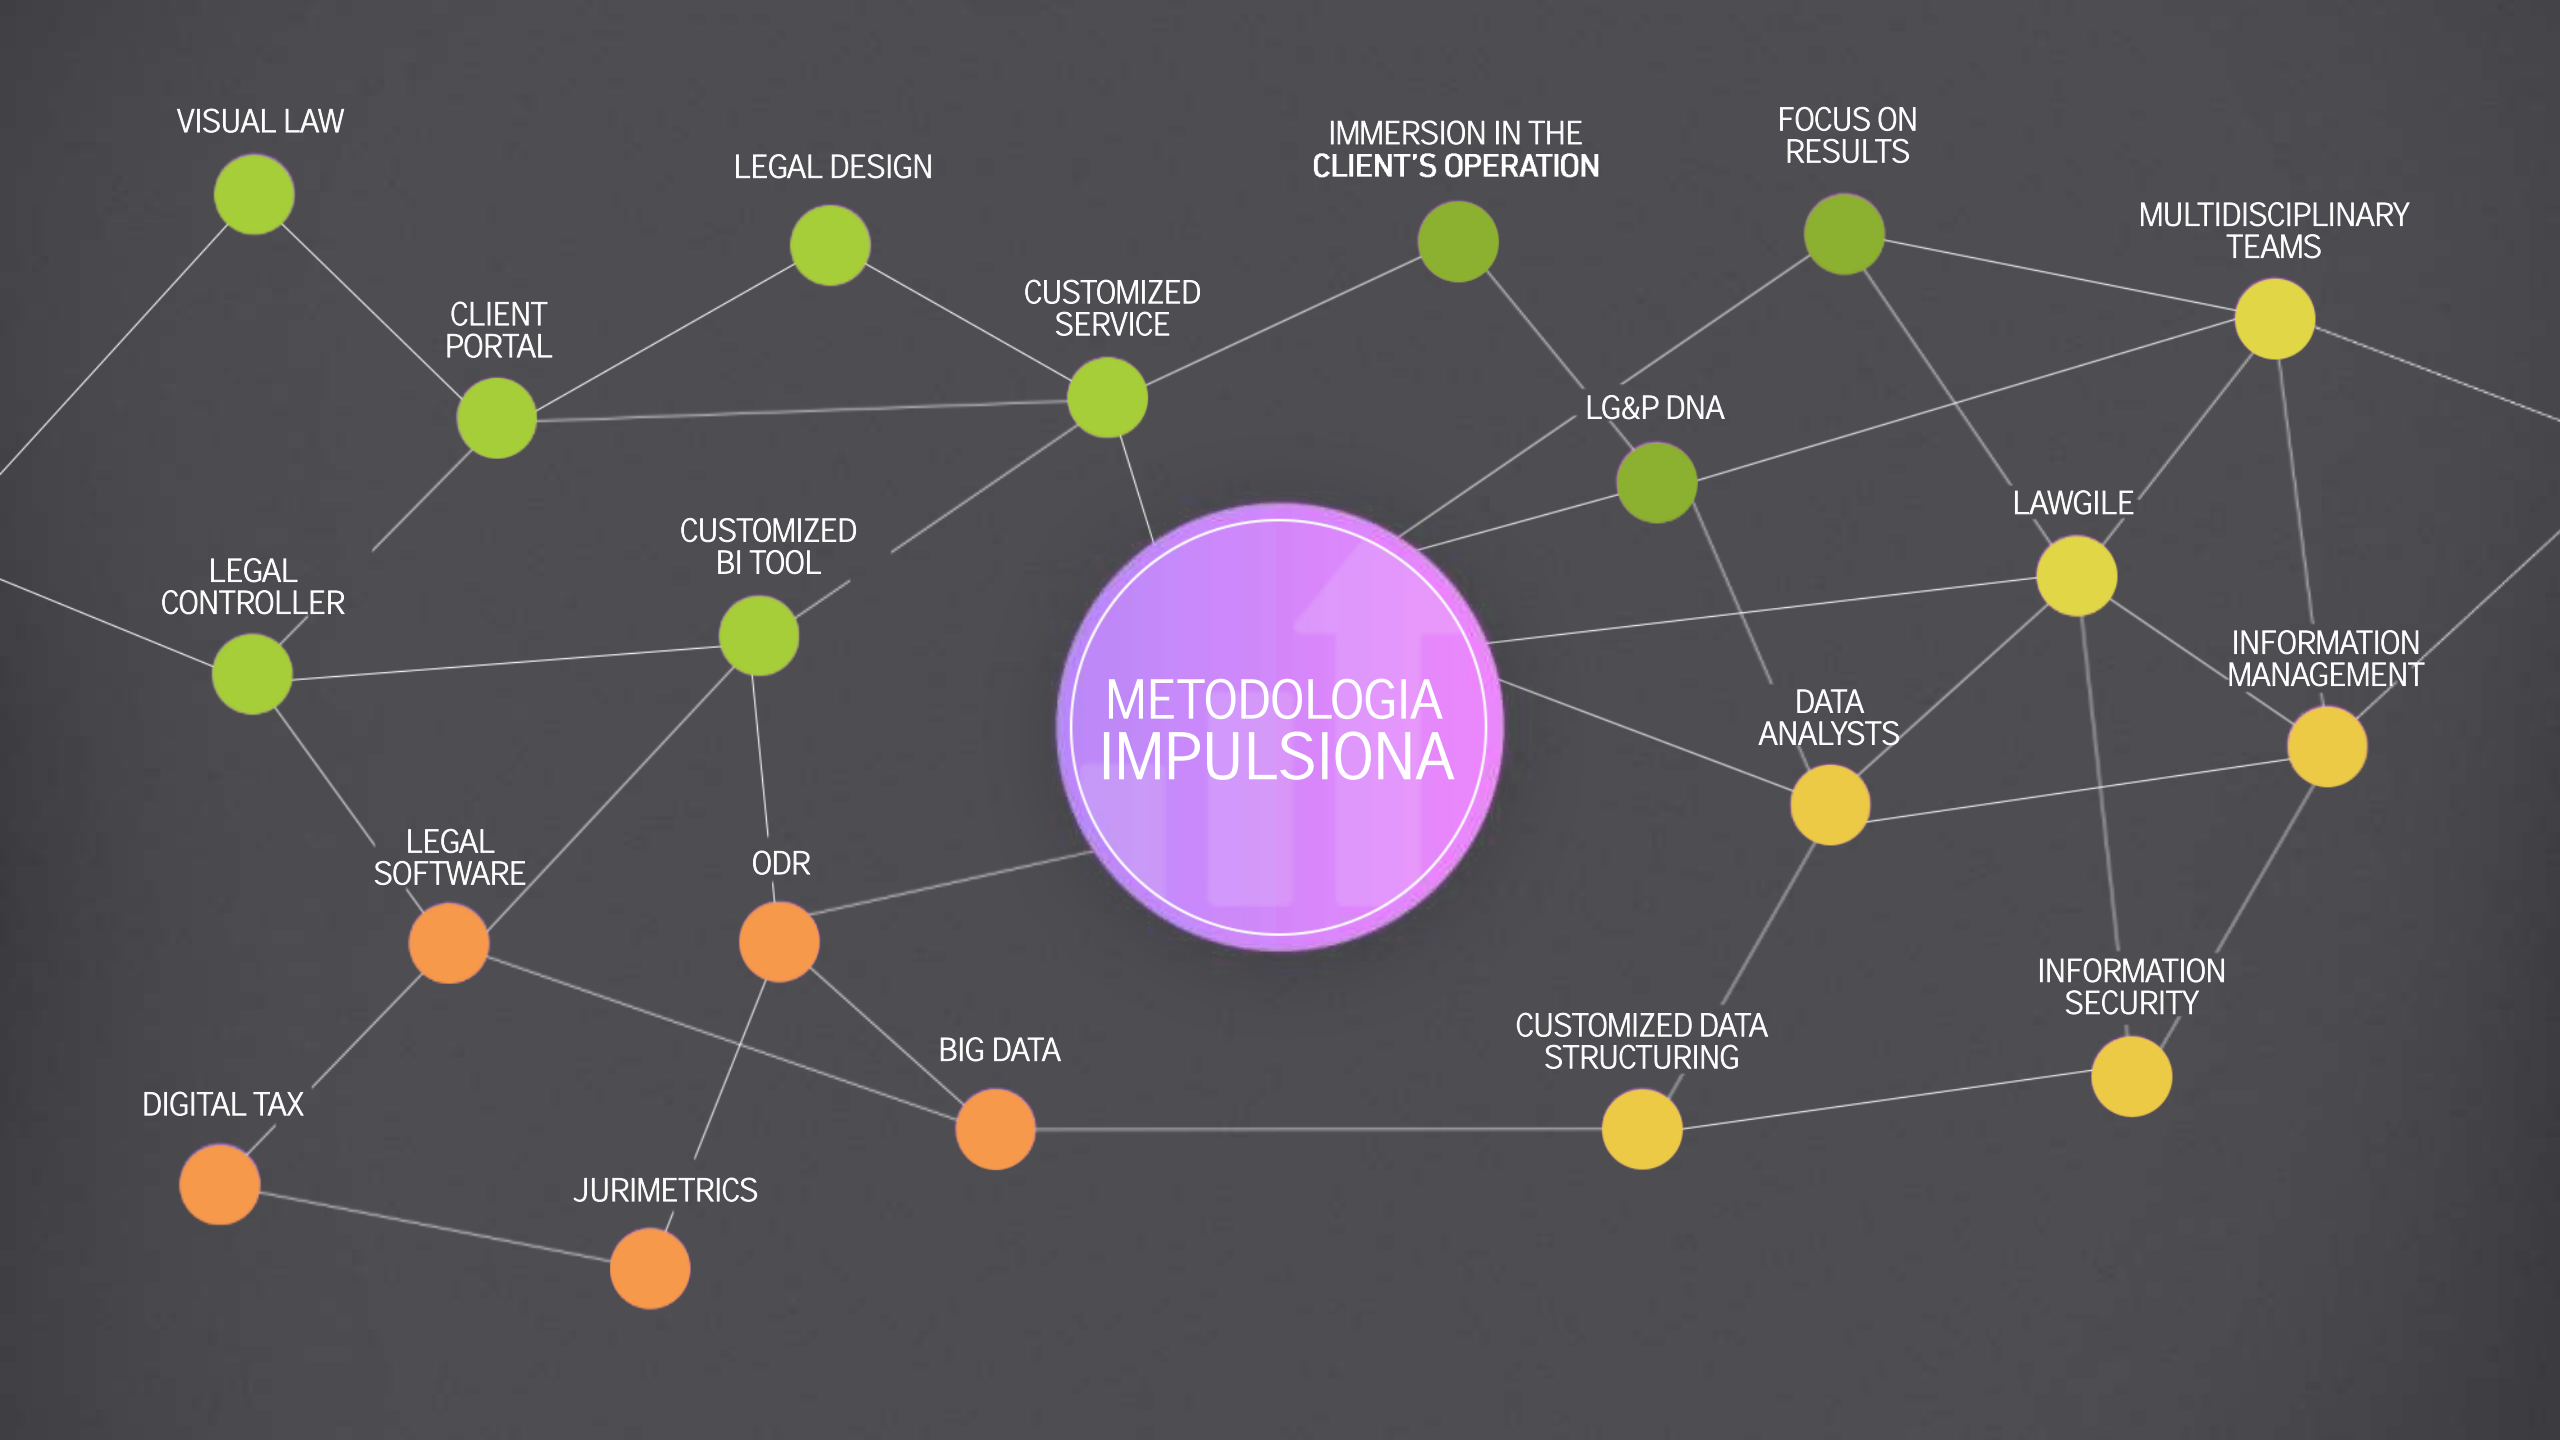

BUSINESS VISION

The IMPULSIONA-LG&P methodology goes beyond **managing a company's demands, whether advisory, preventive or litigious.**

It promotes a continuous improvement exercise in company routines and operations, to make them more solid and competitive.
